Continuing Letter of Guarantee  
Finalyse SAL<sup>®</sup> Bactericide

Church & Dwight Co., Inc. hereby guarantees that Finalyse SAL<sup>®</sup> Bactericide, as of time of shipment, is not adulterated or misbranded and not an article which would adulterate, under provisions of the United States Food, Drug and Cosmetic Act reflected in Title 21 of the United States Code Sections 342 and 601, and is permitted for its intended use. Also, Church & Dwight Co., Inc. guarantees that, as of time of shipment, this article is safe under conditions of use, handling and storage as described on the product label instructions, and will not create unsanitary conditions. The undersigned further guarantees that, at time of shipment, all such articles:

1. That are susceptible to aflatoxin contamination or contamination by animals, birds, vermin, microorganisms or extraneous materials comply with current U.S. Food and Drug Administration regulations, guidelines and action levels for natural and unavoidable defects; and
2. Are in full compliance with the California Safe Drinking Water and Toxic Enforcement Act of 1986 consistent with the current listing of chemical substances.

Arm & Hammer Animal & Food Production

A handwritten signature in black ink that reads "Jackson L. McReynolds". The signature is written in a cursive style.

Jackson L. McReynolds, Ph.D.  
Director, Food Safety Tech Service, SPD

The sale and delivery of Church & Dwight's food-safety products will be expressly governed by and subject to the limited product warranty and other terms and conditions of sale. The label contains complete use information, including cautions and warnings. Always read, understand and follow the label and use directions.
