

Certificate of Facility Certification

Restricted Use Protein Products

Validus hereby certifies that:

Church & Dwight Company, Inc.
1453 S. Benjamin Ave.
Mason City, IA 50401

has been reviewed by an authorized certifying agent of Validus and finds that this facility qualifies for Restricted Use Protein Products Certification and is authorized to display Certified Facility seal of

This Certificate of Certification Expires: January 19, 2018

Certified Facility Number: 10047-006

Brian Bennett, Director of Feed Auditing Services

Audit was affirmed on January 4, 2017

This certificate certifies compliance by the above-named facility with the applicable program requirements of Validus, which requirements are intended to reduce the possibility of cross-contamination of ruminant feed products with protein derived from mammalian tissues as defined by 21 C.F.R. §589.2000 & 589.2001. It is not intended to certify or imply the particular operating conditions within the facility at any particular time nor that the facility has been certified as free of cross-contamination from such protein products. This certification means that has implemented written quality control check-points and good manufacturing practices within applicable industry standards and FDA regulations and guidelines. This certificate is property of Validus Verification Services, LLC dba (Validus) and must be surrendered upon request by Validus in conformance with the Validus Restricted use Protein Program.
